“Sharing my New Faith” (Discussion Questions)

1. Ask three of your group to “tell their story” of conversion using past, present future.
2. Each one write out “your story” this week using the past, present, future idea.
3. What are some ways that I can make my story a dialogue rather than a monologue?
4. What are some important changes that God has made in my life since receiving Christ as my Savior?
5. What are some Bible verses that I would like to use in sharing my story? Ask the group to critique these.
