“Make Disciples” (Discussion Questions)

1. What are the four “action” words in Matthew 28:19-20?
In the original language of the New Testament, three of these are participles, and only one is imperative, or a command. The one command is to “make disciples”. To “make a disciple” is to evangelize and see someone receive Christ as Savior. After that, we teach “discipleship” in order to see people grow spiritually. Acts 14:21 “They preached the good news in that city and won a great number of disciples.” They were disciples when they believed.
 2. Discuss several actions necessary for a person to become a “disciple”.
 3. Before Jesus commanded his disciples to go and make disciples, he said, ‘All authority in heaven and on earth has been given to me. Therefore GO and make disciples.’ Jesus has all authority in heaven and earth. He has the right to tell us, as His disciples, children and servants to do this. What are some of the things that you would need to learn or do in order to obey His command?
 4. Write down 5 things that you could learn that would make you more effective in “making disciples” or seeing others come to know Jesus as their Savior?
