

BUILDING CONVICTIONS

Herschel Martindale

God's love Motivates Us: 3-4

1. When God's love motivates us, how do we see people differently?
2. What new relationships do we enjoy when we receive Christ as Savior?
3. What "ministry" has God given every believer? (2 Corinthians 5)
4. Are we to win others to Christ even though we are not gifted as Evangelists?
5. Write down at least 10 names of people in your "sphere of influence" who you do not think are "saved".
6. What are some characteristics of an "effective ambassador"?
7. What are some needs and preparations that would help me be a more effective witness for Jesus Christ?
